Supply Fee (Per Student)	varies

SIBLING DISCOUNTS

At SCA, we value families and strive to make education more accessible for siblings. To support families with multiple children enrolled, we offer the following sibling discount structure:

1. The eldest (highest tuition) student pays full tuition.
2. The second enrolled sibling receives a 10% discount on tuition.
3. The third enrolled sibling receives a 20% discount on tuition.
4. The fourth (and any additional) enrolled sibling receives a 30% discount on tuition.

These discounts apply to tuition only and do not include fees, extracurricular costs, or other expenses.

INCENTIVES

If tuition is paid in full by June 15, families will receive a 5% discount on their tuition.

Lunch volunteer fee will be credited back from volunteering for 4 hours per student.

Tuition can be paid in monthly payments with the first payment due on July 15.
